

KINGSBRIDGE

WEALTH MANAGEMENT

We work for our clients, not for a firm.

Happy New Year!

A new year and a new President. What interesting times we live in. We look forward to catching up with all of you as this year unfolds. In the meantime, here are a few articles we have found interesting this month.

Kingsbridge Ventures Investments Making News

Classy

A San Diego startup called [Classy](#) has raised \$30 million for software-as-a-service that helps nonprofits raise donations online, and keep supporters engaged in a good cause for the long run. Specifically, Classy helps 501c3 or other nonprofit organizations to run crowdfunding, online and mobile campaigns, awareness and fundraising events all under one roof.

Business Tech Companies Open the Door for IPOs

By Martin Giles

Partner at Wing Venture Capital

Snap is about to go public and the whole world will be watching. But while all eyes are on Snap, its business technology companies, not consumer ones that have been attracting investors back to the US technology IPOs.

Harvard Business Review: Family Firms Are More Innovative Than Other Companies

Family firms aren't typically thought of as particularly innovative. More often, they're viewed as, traditional, and stagnant. However, many family-owned businesses are among the most innovative in their industries.
